

What it's Like:

- lots of kids, teachers, parents
- Lots of classrooms
- Busy during the day and afternoon
- Has an afterschool program
- Crowded classroom

Needs:

- Extra helpers for lower grades
- School supplies for teachers
- Science teacher's wife is sick
- Playground needs a fresh coat of paint
- Susan is a new kid without friends

Elementary School

What it might look like if God were in charge:

- Teachers would be inspired
- Students would be excited about learning because of their teachers
- There would be clean rooms and facilities
- People in the community might offer their knowledge and abilities to help
- There would be enough supplies for all students
